## Legend Status Nomination Form

Nominations for Legend Status are now open based on the following criteria:

1. This is an award for outstanding, long term on-field contribution to a senior team as distinct from Life Membership which is for overall club contribution.
2. This award is measured by the achievement of best& fairest/ runner up awards, leadership of our team, selection in Victorian/All Australian teams, and the ability to influence team performance and game outcomes.
3. It can also be awarded for coaching Premier A or Premier B Grade premierships teams.
4. The award is for long term performance (more than 100 games is required).
5. It is envisaged that a maximum of one person be awarded this each year, but this can be varied in exceptional circumstances.

Nominations are to be made in writing, specifying the criteria on which the nomination is made, to the General Manager and Club Secretary by **Tuesday November 7<sup>th</sup> 2023**.

The Nomination is then submitted to a subcommittee of fellow Legends who make a recommendation to general committee for approval.
